

DEPLOYMENT OF APP IN IBM CLOUD UPLOAD IMAGE TO IBM CONTAINER REGISTRY

Date	16 OCT 2022
Team ID	PNT2022TMID12789
Project Name	Nutrition Assistant Application
Team members	Madhesh Sabarish Rahul Dravid Vishnu Brahman

The screenshot shows the IBM Cloud console interface for creating a Kubernetes cluster. The browser address bar displays `cloud.ibm.com/kubernetes/catalog/create`. The page header includes the IBM Cloud logo, a search bar, and navigation links for 'Catalog' and 'Manage'. The main content area is titled 'Kubernetes cluster' with the author 'IBM' and links to 'Docs' and 'API docs'. There are 'Create' and 'About' buttons. A banner for Red Hat OpenShift is visible. The 'Plan details' section includes a link to learn more about plan differences and a 'Pricing plan' dropdown set to 'Free'. The 'Kubernetes version' section prompts the user to select a platform version. On the right, a 'Summary' sidebar shows the 'Worker node' configuration: 'Free - 2 vCPUs 4GB RAM Virtual - shared Ubuntu 18'. It also displays the 'Total estimated cost' as 'Free/mo' with a disclaimer about additional charges. At the bottom of the sidebar are 'Create' and 'Add to estimate' buttons. The Windows taskbar at the bottom shows the search bar and various application icons, with the system clock indicating 07:45 on 08-11-2022.

IBM Cloud

cloud.ibm.com/kubernetes/catalog/create

Free

Kubernetes version

Select the Kubernetes platform version for your cluster. For more information about versions, including links to the container platform community release notes, see the docs.

1.24.7

Resource details

Cluster name
mycluster-free
